

Australian Institute of Physics

Student Night

8 pm, Thursday August 14th

Kerr Grant lecture theatre,
Physics Building, University of Adelaide.

Security note: Entry only before 8 pm

Postgraduate Physics students talk about their
research work

Wendy Tuckwell

University of Adelaide

**“MODELLING OF TUMOUR GROWTH, OXYGEN
LEVELS & RADIATION TREATMENT”**

Tristan Skawronski

Flinders University

**“TWO BODY CALCULATIONS WITH THE
GAUGING OF EQUATIONS METHOD”**

The **Silver Bragg medals**, for
best Physics students in
2007, will be presented
