- ▣ Waseem Kamleh

*Lattice 2012
Cairns, Australia*

Local Organising Committee members can be identified by blue coloured name tags.

Conference Logo

Lattice 2012
Cairns, Australia

Inspired by the traditional art of Australia's indigenous population, this year's logo depicts three quarks and the associated gluon flux when the three quark system resembles a boomerang. Boomerangs have the origin in hunting, and often become works of art.

Thanks to Hrayr Matevosyan.

International Advisory Committee

- ▣ Chris Allton
- ▣ Konstantinos Anagnostopoulos
- ▣ Sinya Aoki
- ▣ Norman Christ
- ▣ Philippe de Forcrand
