## FINANCIAL SUPPORT

Important: Because of our limited funds, support for travel is very limited and will be granted only for students from Latin America. Therefore, every effort should be made by applicants to secure support for their fare (or at least a partial contribution) from their home country. Please tick **ONE** box only if any financial support is requested:

It would be of assistance to the Selection Committee if this request for Financial support were accompanied by a letter of recommendation, a cover letter with research interests, the title of their thesis (if have one) and a list of publications, especially for junior physicists.
